PLEASE NOTE: If you order backpacks, at least 1 member of your club MUST help with the assembly and pick-up of the backpacks you ordered. We suggest you make prior arrangements to drop the backpacks off at the schools or with your school contact person. We let the schools distribute the backpacks, due to privacy issues with the children.

SUGGESTIONS FOR FINDING CHILDREN IN NEED OF BACKPACKS AND DISTRIBUTION OF BACKPACKS:

Approach your local schools **before** the end of the current school year. Speak to the School Counselor, the School Secretary, or the Health services person at the School District. Often they have a sound understanding of students and families in need. Ask them to determine the number of needy children for the upcoming school year.

You can also go to local homeless shelters or local churches.
