“Give and Grow!”

District Governor Thelma attended Concordia College before obtaining a BS in Chemical Engineering at the University of Philippines and an MBA at the University of San Francisco. Since then she has worked at a number of high tech companies, usually in supply chain and logistics management. Thelma also helps the business community increase profitability and market share by improving customer service levels.

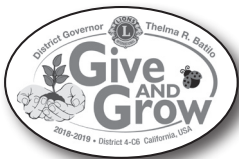

Thelma joined the Milpitas Executive Lions Club in 2008 and participates in many 4-C6 Lions projects as well as service activities in California and around the world. She is involved at the club, 4-C6, and MD-4 levels with many projects, including Youth Outreach, the AJ Robinson Foundation, Peace Poster, Student Speaker, and environmental programs, among many others. Thelma serves as a Community Advisory Commissioner for the City of Milpitas and is the current Commission Chairperson.

Thelma is a Melvin Jones Fellow and Dwight E. Stanford Fellow. As Club President, she received the District Achievement Award and Club Excellence Award. She was District Region Chair of the Year. She received LCI Certificate of Accomplishment as District Environment Chair. She is a re-Certified Guiding Lion, graduate of MD4 Leadership Institute at Harris Ranch, Advanced Lions Leadership Institute ALLI in Denver and USA-Canada Leadership Forum in Portland.

Thelma’s spouse, Christopher Heiny, is also a long time member of the Milpitas Executive Lions Club, and along with their dog Mercalli, is a regular presence at MELC community and charitable activities.

Well, she got the answer - as International President Gudrun Yngvadottir said: “Service beyond the horizon”!

To serve beyond the horizon, Thelma believes Lions must no longer be the best kept secret - we must be visible in the community. Invite the public, non-Lions, family and friends to any Lions event. Empower Lions!
