## MEETING August 3

Lion President Gernot called the meeting to order at 7:15 pm. After dinner, discussion included the Chicken and Corn Feed and club dues. Lion Secretary Bob said that the dues are due and could be mailed to him at his home address (1118 El Prado Ct., San Jose, 95120). You can also pay them at a meeting. Life members \$60, Regular members \$100.

The Chicken and Corn Feed discussion was the major part of the meeting. We need to get guests to come and we need raffle prizes. Please contact me to get tickets and let me know if you can donate prizes. It's only 1 week away. Lion John passed out sheets which included the shopping needs and the potential work assignments and a schedule for preparation and cleanup. Please plan to be there and help. See schedule on the calendar.

We also talked about ways to get new members and possibly holding a smelt feed this year. A thank-you letter from WVCS for the donation for backpacks was read.

## MEMORIAL

Last Saturday an event was held at Clover Hall in memory of Lion Roger Reimers who passed away last year. Speakers included his two sons Mike and David as well as members of our club – Lion Bob Ferber, Lion John Hufferd, former Lion John Sondeno as well as other guests.

Mike Reimers

David Reimers
